Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Applicant's representative proposed to amend the independent claims to overcome the 35 USC 101 rejections by incorporating the limitation " a computer program used with a computer generating system for generating animation pictures to be recorded in a recording medium" in the preamble of each independent claims. The Examiner stated that such proposed amendments appear to meet the requirements under 35 USC 101, but will have to get a second opinion once a formal response is filed..
